

# **TRACY W. TAME**

## *SENIOR FIELD INSPECTOR*

**EXPERTISE** Building Envelope Construction Inspections  
Building Envelope Construction Design  
Roofing Applications  
Roofing Failure Investigation

### *PROFESSIONAL SUMMARY*

Mr. Tame has been in the construction industry for over 40 years, beginning in general construction, then progressing to the roofing industry and finally joining BEE as a senior inspector in 2006.

Mr. Tame's duties include field inspection and verification of BEE designs as well as conducting investigation of building envelope failures. Items of inspection include: below-grade and deck waterproofing, window, door, cladding and roofing installations.

Mr. Tame also assists Bee engineers in the design of building envelope details for implementation.

Mr. Tame has over 35 years of experience in the roofing industry. He has supervised the application of various types of roofing systems. For BEE, Mr. Tame utilizes this experience by providing inspections of new roofing applications, roof failure investigations and material selection.

Because of his long and varied experience in construction Mr. Tame acts as an important resource for the company and acts as mentor to the younger inspectors.

Selected projects that Mr. Tame has performed quality assurance include:

- 12<sup>th</sup> and Pike Building, Condos
- Alex, Condos, Seattle
- Alley 24, Apartments, Seattle
- Bernard Apartments, Seattle
- Lumen at 500 Mercer, Mixed Use
- Meadow Leaf, Townhomes, Lynnwood
- Merrill Gardens: Retirement Home, Renton, Tacoma
- Moda, Condos, Seattle
- The Landing: Sanctuary/Reserve, Apartments, Renton
- Silver Creek, Townhomes, Mill Creek
