

VALENTIN **A**LVAREZ

*D*Rafter

EXPERTISE Building Envelope Design Details
AutoCAD Drafting

PROFESSIONAL SUMMARY

Mr. Alvarez joined B.E.E. Consulting, LLC in February 2007 as Drafter. Since then he has been trained in the field of Building Envelope design using the “Rainscreen” concept and has effectively detailed over 20 individual projects including sections, isometrics and assemblies.

Mr. Alvarez works alongside engineering, project managers, and architects to coordinate details, revisions and as-builts through the entire life-span of each project.
