PROFESSIONAL SUMMARY

Mr. Dazey joined BEE Consulting, LLC in November of 2014 and currently serves as the Design Drafting Manager. In this role, Mr. Dazey's responsibilities include leading and supporting a team of design drafters in addition to CAD drafting/detailing on multiple projects that include building envelope design for commercial, residential and municipal construction.

Mr. Dazey is striving to continue his education and attends Marylhurst University to attain his MBA in Sustainable Business.

Prior to Mr. Dazey's employment at BEE, he held lead positions at local residential remodeling and construction companies, amounting to nearly 20 years of hands on experience. This combination of education and experience gives Mr. Dazey a unique insight into the design and construction of building envelope systems.
